ORDER ON MOTION FOR CONTINUANCE

Before the Court is Defendant's Agreed Motion to Continue Trial, filed on October 10, 2021. The Court finds that the ends justice served by granting the continuance outweigh the best interests of the public and the defendant in a speedy trial, and that failure to grant such a continuance might result in a miscarriage of justice. Specifically, the court finds that the granting of the motion would promote judicial economy, and that neither the defendant nor the government would be harmed by the granting of a continuance. The court finds that the provisions of 18 U.S.C. § 3161(h)(7)(A) and (B)(iv) are satisfied and accordingly, the motion is **GRANTED**

It is therefore ordered that the trial of the case is reset from **November 8, 2021 to Monday, October 17, 2022 @ 9:00 a.m.** The period of delay shall be excluded in computing the time within which the trial must commence.

Pretrial motions, if any, must be filed by **September 9, 2022**, and responses thereto, by **September 16, 2022**.

Requested voir dire questions, proposed jury instructions, witness lists (with witnesses designated as "custodial", "expert", or "fact", as well as "probable" or "possible"), exhibit lists (with copies of exhibits furnished to the Court), and motions in limine must be filed no later than **September 26, 2022**.

SO ORDERED.
